

NEW TO LEBY GROUP?

One accountable partner for collection, warehousing, distribution and proof.

✓ 100% BLACK OWNED

✓ LEVEL 1 B-BBEE

✓ 135% PROCUREMENT RECOGNITION

Most delivery partners lose your confidence the same way: stock collected without reconciliation, warehouse handovers left unclear, routes delayed without warning, and the client hearing about the problem after it has already happened. Leby was built to close that gap.
